DIRECTOR, FBI

8-2-52

[redacted] was invited to attend a convention at Chicago, Illinois, July 4, 5, 6, 1952, by JOHN W. HAMILTON who stated that its purpose was to found an organization on a national basis to be known as the "National Association For The Advancement of White People" and that this new organization would consolidate groups similar to that of the Citizens Protective Association throughout the country.

b7D

[redacted] attended this convention which was held at the Como-Inn Restaurant and Hall, 546 Milwaukee Avenue, Chicago, Illinois, and furnished the following information both orally and by written report to SA PHILIP F. DONEGAN on 7-20-52. The informant's report is maintained in SL file 66-1935A.

b7D

It was voted that the convention should be called "The Nationalist Convention of America" and it was stated that the purpose of the convention was: 1. To support General DOUGLAS MacARTHUR for President of the United States; 2. To also support GEORGE D. HIGGINS for President on the Liberty Party ticket in order that he would be able to obtain radio time; 3. To found a new organization which would consolidate the organizations present into a nation wide group. The chairman of the convention was JOSEPH BEAUHARNAIS of Chicago, Illinois, and the co-chairman was PETER L. XAVIER of Dayton, Ohio.

BEAUHARNAIS stated at the opening of the convention that the Como-Inn Restaurant had given them the hall without charge, provided that the delegates to the convention ate their meals at the restaurant. The informant stated that the delegates ate their meals in a private dining room throughout the convention.

Miss KAY TURPPIN, who, according to the informant, was the secretary of JOSEPH BEAUHARNAIS, acted as secretary of the convention. Posters hung on the walls of the convention hall denounced the United Nations, the Communists, taxes, Negroes and Jews. The informant registered for the convention with Miss TURPPIN and was informed by her that all of the speeches to be made at the convention were going to be recorded on a sound tape recorder.

The first speaker at the July 4th session was GEORGE D. HIGGINS of Los Angeles, California, who announced that he is the candidate for President of the United States on the

DIRECTOR, FBI

8-25-52

Liberty Party ticket. HIGGINS stated that his purpose is to warn the American people of the grave danger which threatens them, their liberty and their republic; to set forth the true nature and cause of the crises and to prescribe an adequate remedy. He stated that the United States has been taken over by the Rothschild International Banking Monopoly, frequently called the "Money Power," which includes the Federal Reserve Monopoly. He stated that the republic of the United States is dead and that the Constitution, with its Bill of Rights, has been thrown into discord by the Rothschild money power. He continued that this money power has substituted in place of the republic of the United States an oligarchy of their own, which is the United Nations organization. He stated that by joining the UN the US is selling itself into a permanent bonded debt. HIGGINS stated that he advocates repudiating all Gold Certificates and the retiring of all Federal Reserve Notes and that Congress should then print debt free currency. He stated that the Income Tax Law should be abolished and that the Farm Relief Act and the Taft-Hartley Act, which are both tools of the money power, must be repealed. He claimed that the U.S. is using all of these things to bring about inflation and that when the value of the dollar is low enough to create panic, they will tell the people that the only way to save the U.S. is to join the United Nations, and that the U.N. will then put us in poverty.

The next speaker was Mrs. ED C. ALUMBAUGH, who is the editor of a monthly newspaper called "The Spider," at Macon, Georgia. According to the informant, she made a plea for taking the United States out from under the international banking power. She advocated changing the money system presently in use in this country and stated that her group is backing General DOUGLAS MacARTHUR for President because, if elected, he would abolish our present money system.

C. DANIEL KURTZ, State Director of the New York Anti-Communist League, spoke and explained that he has been speaking on the street corners of New York City for years and that he had made several speeches in the Rockaway Beach area, which had resulted in his arrest. KURTZ presented an attack against the Jewish race and stated that if the Jewish people were not run out of this county they would soon take over.

DIRECTOR, FBI

8-25-52

The evening session on July 4, 1952 was addressed by PETER L. XAVIER of Dayton, Ohio who acted as co-chairman of the convention. He spoke about the United Nations during which he vigorously attacked the U.N. and stated that, in his opinion, the U.N. is unconstitutional. XAVIER stated that he had been discharged from the Army because he stood in front of the U.N. Building in New York City, threw the U.N. flag on the ground and called the President a traitor. He claimed that one day he would be reinstated in the Army and at this time he would fight for his Army pay since the time of his discharge.

Another speaker was CONDE MCGINLEY, editor of the newspaper "Common Sense" which is published twice monthly at Union, New Jersey. He strongly attacked the Jewish race, stating that all of our troubles are rooted in the Jews because they are the ones behind the Russians. He stated that he is now devoting his full time to the publishing of "Common Sense," which has reached nation wide circulation. MCGINLEY described several attempts which have been made on his life and on the lives of his employees. He stated that these attacks, as well as other attacks against his printing plant, were made by "Communist Jews" who sought to stop the publication of "Common Sense."

At the first session on July 5, 1952, which convened at 11:00 a.m., PETER XAVIER acted as chairman. The session opened with GEORGE D. HIGGINS of Los Angeles leading in the pledge of allegiance to the flag, which was followed by prayers lead by JOHN W. HAMILTON of St. Louis. The first speaker was a Miss WALKER from the State of Iowa, who was one of three sisters present at the convention. She talked against the Farm Bureau and stated that the Farm Bureau was taking the farmers away from God. She stated that the Government was making the farmer lazy by letting him plant only certain crops and that this was ruining the farms as well as the farmer.

The next speaker was C. DANIEL KURTZ of New York City, who presented another attack against the Jewish people. According to the informant, KURTZ did little more than repeat his remarks of the previous day.

The next speaker was JOHN W. HAMILTON from the Citizens Protective Association, St. Louis, Missouri. He attacked the

DIRECTOR, FBI

8-25-52

Negro race, stating that the Negro is a backward man and always will be backward. He stated that the Negro has eaten the heart out of St. Louis where a minority group has dictated the policy, kangaroo courts were in session, and the Negroes get off very lightly for their crime. He stated that two Negroes had gotten very light sentences in the killing of an Overland, Missouri policeman and that they would be eligible for parole in five years. HAMILTON stated that the people of St. Louis were going to begin to do something about Negroes and that this was one situation that the people were going to stop. HAMILTON urged that all of the groups represented at the convention unite in order that they might do something about fighting the Negro situation all over the country.

Another speaker was a Mr. LANDIS from Dayton, Ohio, who spoke in favor of abolishing all taxes. He stated that he and a group of others had attempted to have an earnings tax outlawed in Dayton because it had not been voted upon by the people. He stated, however, that it was later passed by a vote of the people of Dayton. LANDIS stated that he wrote one hundred letters to people who would have to pay the earnings tax, but who would not benefit from it since they resided outside of Dayton. He stated that in these letters he asked these people to attend a meeting to discuss the situation but that only one person arrived to attend the meeting. He stated that this was an example of the fact that the American people are just stupid about such matters.

The main speaker at the evening session on July 5, 1952, was JOSEPH BEAUHARNAIS, leader of the White Circle League at Chicago, Illinois. He discussed the Cicero, Illinois riot and stated that the owner of the property which caused the incident, Mrs. DeROSE, had called upon him for help. He stated that Mrs. DeROSE had by mistake retained a Negro attorney to defend her in a case with the rent control office. He stated that the attorney and his associates gained control of Mrs. DeROSE's property and employed a Negro couple to pretend they were going to move into the apartment house. By this means, the Negro attorney hoped to get \$120,000 for the property which was valued at \$60,000. BEAUHARNAIS stated that Mrs. DeROSE then employed a second attorney to sue the Negro attorney and that when this case came up in court Mrs. DeROSE was jailed for contempt of court. BEAUHARNAIS stated that he and the parents of Mrs. DeROSE attempted to post bond for her and found that she had been placed in a mental institution. He stated that Mrs. DeROSE was not given an opportunity to speak in her own

DIRECTOR, FBI

8-25-52

behalf and that he was going to do all in his power to help Mrs. DeROSE.

At the conclusion of his speech, BEAUHARNAIS stated that all of the speeches being made at the convention were being sound recorded "because we may have to use it in court someday." He added that the recordings would be made available to the member organizations in order that they might be played at local meetings.

According to the informant, the first speaker at the July 6, 1952 session was a Mr. LAMBERT from Chicago, Illinois who related how the Woodlawn section of Chicago was being overrun with Negroes. He stated that he had owned a restaurant in this section and that the Negroes often left without paying for their meals. He stated that on one occasion a Negro woman left without paying and in addition to this she struck and cursed him, and the following day brought him into court and sued him for \$20. He stated that several days later a Negro woman left without paying but he made no effort to stop her because he said he would get no backing from the police. He stated that all of the Woodlawn residents have had to stand by and watch their stores being broken into and robbed because the police do nothing to help them. He stated that for this reason he and other Woodlawn residents were supporting the anti-Negro "White Circle League" in Chicago.

The next speaker was LEWIS KLENKE of Edwardsville, Illinois, who is a member of the Board of Directors of the newspaper "The Farmers' Voice," published by the United Farmers of America, Incorporated. He spoke against the use of artificial fertilizer and insect sprays and stated that his organization was against the use of medicines and the fluoridation of water systems. He stated that the people were being forced to use these artificial aids as part of a deep rooted plot to weaken them so that they could be easily overcome.

The informant stated that at the last session of the convention many resolutions were introduced and adopted. It was stated that a copy of these would later be sent to all those delegates in attendance. In summary, these resolutions indicated that the organization would be anti-Negro, anti-Jewish, anti-Farm Bureau, anti-tax system and against the present monetary system in this country. The informant advised that a discussion took place concerning the name to be adopted by the

DIRECTOR, FBI

8-25-52

organization. After the introduction and discussion of several names, the name selected was "National Association For The Advancement of White People." However, the informant was later advised by JOHN W. HAMILTON that after the convention had ended the leaders of several participating organizations met and decided that the name selected at the convention should be changed inasmuch as it might be confused with the National Association For The Advancement of Colored People. HAMILTON stated that it was decided to change the name from "National Association For The Advancement of White People" to "The Allied American Association."

According to the informant, it was not made clear at the convention whether the new organization would have a headquarters which would direct its activities or whether it would be an organization in name only, with all activities carried on through the member organizations. It was stated, however, that the participating organizations would retain their present name and character but that their letterheads would be changed to show affiliation with the "National Association For The Advancement Of White People." According to the informant, it appears that the participating organizations will all adopt the platform of the new organization. The informant stated that most of the delegates present appeared to be friends of long standing and indicated that they were in constant communication with each other.

[] was further advised by JOHN W. HAMILTON that there were delegates from about thirty states present at the convention. However, the informant observed that there were never more than thirty-five people present at any one session of the convention. It was also stated during the convention that there were to be approximately fifty organizations joining together to form the "National Association For The Advancement Of White People," but, according to the informant, not all of these were represented at the convention. b7D

Informant stated that JOSEPH BEAUHARNAIS indicated that the names of the participating organizations would be made available at a later date, at which time a list of the resolutions passed would also be made available to those who had attended.

Inasmuch as there is no organization known as the "National Association For The Advancement Of White People" or "The Allied

DIRECTOR, FBI

American Association" in St. Louis at the present time, the activities of this organization will be followed through the investigation presently being conducted concerning the Citizens Protective Association in St. Louis.

The following exhibits, which were obtained by the informant at the Nationalist Convention, were personally furnished to SA PHILIP F. DONEGAN by [redacted] on July 20, 1952. These exhibits will be forwarded to the Bureau for photographing in order that copies might be made available to interested offices. ahead, if we don't act fast), to get Hoover out of the way because they knew from Roosevelt's notorious record he would be easier to handle. That was why they kept him in office. Now Truman is trying to out Roosevelt, FDR, and because we know his program, including FEPC, is Marxist, anti-Christian and Un-American and despite his great affections, we know he stubbornly resists all efforts to perjure our Government of these agents." This is in the form of an open letter to all members of the White Circle League from JOSEPH/BEAUHARNAIS,

DIRECTOR, FBI

8-25 -52

leader of the organization. He explains the reason that members have received no bulletins or notices of meetings for a period of one year is due to the fact that the White Circle League had been involved in litigation which was in the courts for almost two years. It states that the U.S. Supreme Court recently decided against him by a decision of five to four (Case #118, Joseph. Beauharnais vs. the People of the State of Illinois). It quotes in full the descending opinion of Supreme Court Justice BLACK in this case, which BEAUHARNAIS claims as a victory. BEAUHARNAIS states that he has given up his business and intends to devote all of his time and the balance of his life to preserving the rights and heritage of the white race in America.

Stapled to this leaflet is an application for yearly membership in the White Circle League of America, Chicago, Illinois, reflecting that the yearly membership is \$2.00 and a yearly subscription to the White Circle News is \$5.00 per year. The reverse side of this application is captioned, "The National Association For The Advancement Of White People," which it states is dedicated to safeguard and maintain the dignity, social edicts, customs, heritage and rights of the white race in America. It then explains that all members of the White Circle League now become members of the NAAWP automatically. It then states that among the fifty organizations that sponsor the NAAWP are the following:

- Citizens Protective Association, St. Louis, Missouri.
- National Patrick Henry Organization, Incorporated, Columbus, Georgia.
- National Security League, Dayton, Ohio.
- National Service Bureau, Farmington, Michigan.

36. An open letter on the stationery of the Citizens Protective Association, St. Louis, soliciting membership in the CPA and signed by JOHN W. HAMILTON. Attached is a subscription blank for the "White Sentinel," official organ of the CPA, at the rate of \$2.00 per year.

Defeat Race Hatred At The Polls!

The Mississippi racists who murdered 14 year old Emmett Till are spreading their vile attacks on the Negro people to Essex County. Some Jerseyans are helping them.

Essex County voters are receiving cards in the mail saying:

"This is to inform you that two assembly candidates, by reason of their affiliation with the trouble making National Association for the Advancement of Colored People, NAACP, are unqualified for public office. These Negro candidates are: Democrat Van T. Clinton, 8-A — Republican J. Vance McIver, 8-B. Vote White! Skip these men!" The card is signed "NAAWP" (National Association for the Advancement of White People). "Paid for by N. J. Chapter". The cards bear the postmark: "Winona, Miss."

Shall we permit Mississippi lynchers to tell us how to vote? Should decent people — Negro and white — allow this example of race hatred to go unchallenged!

Answer the lynchers at the polls on Tuesday! Vote to give the Negro people more, not less representation in government. Vote against race hatred and for equality of all peoples. Answer the race haters, ELECT BOTH NEGRO CANDIDATES ON TUESDAY!

CHARLES NUSSE, New Jersey State CP Organizational Secretary, purchased radio time for a broadcast over the facilities of Radio Station WYNJ, Newark, N.J. at 8:30 pm, October 10, 1955. He spoke as a political candidate with no mention of party affiliation. In the beginning of the broadcast, the station announced that it was bound by law to make time available to all political candidates.

Confidential Informant NK-1933-S* has advised that the radio station management had attempted to cancel NUSSE's broadcast but NUSSE had bragged that he had the law on his side and was able to force the station to go through with making the time available.

At the opening of his broadcast he announced that at that moment a huge rally was in progress in the Central Ward of Newark (Negro Community) to protest against lynching and the denial of Constitutional rights to Negroes. (FREEDOM OF THE PRESS COMMITTEE MEETING on the Till Case announced by leaflets at which ROB F. HALL, "Daily Worker" correspondent, was to give an eye-witness account of the trial in Sumner, Mississippi) NUSSE described the wave of terror sweeping over Mississippi and all the South. He indicated that this situation cried out for action to restore law and order in Mississippi.

NUSSER told his audience that the responsibility for the restoration of law and order in that state rests with the U. S. Department of Justice and Attorney General Brownell. He indicated that BROWNELL, who swore to uphold the Constitution, has done nothing, has made no statement and has leveled no criticism. NUSSER said that Mr. BROWNELL was too busy with matters he considers more important than punishing the lynchers of children. Mr. BROWNELL was enthusiastic prosecuting UNITED AUTO WORKERS for its efforts in the field of political action; too busy prosecuting the MINE, MILL AND SMELTER WORKERS Union on a phony charge of Communist domination, and too busy indicting, arresting, prosecuting and jailing Communists who speak out for peace and Negro rights.

NUSSER said the FBI is used to arresting Communists, but HERBERT BROWNELL has never ordered J. EDGAR HOOVER to send his agents into Mississippi to arrest the lynchers of children.

NUSSER urged all hearing him to write postcards, letters and telegrams to the Attorney General asking the Federal Government to intervene and restore law and order in Mississippi and prosecute the murders of EMMETT TILL.

The letters were also to ask the Federal Government to enforce the Supreme Court decision on segregation and to ask the Federal Government for a guarantee of the right to vote.

NUSSER suggested that all political candidates be forced to take a stand on this matter. He further called for action on the part of mayors, City Council and State legislature in the adoption of resolutions calling for intervention in Mississippi.

NUSSER read a letter he indicated had been sent by him to the Attorney General:

- 3 -

"Dear Sir: The State of Mississippi will not punish lynchers, therefore, the Federal Government must. I urge you to start immediate action to prosecute the lynchers of Emmett Till. Mississippi will not end segregation, therefore, the U. S. Government must. I urge you to intervene to force the Supreme Court decision against segregation in Mississippi, and to guarantee the rights of citizens to register and vote."

NUSSER then pointed out that the anti-racist terrorism of the South was being felt in New Jersey with police brutality against Negroes and Puerto Ricans, and discussed a recent development in which the NATIONAL ASSOCIATION FOR THE ADVANCEMENT OF WHITE PEOPLE had threatened Puerto Ricans in the Newark area. As evidence of racist attitude in New Jersey must be overcome, he called for teeth in the New Jersey State Anti-Discrimination Law, election of Negro Judges, and Negro public officials.

During his talk NUSSER referred to himself (and his associates) as "we Communists," although there was no mention of the COMMUNIST PARTY in his introduction or during his talk.

NUSSER announced that he would be on the air every Monday and Wednesday of October.

Racist agitator hit by 'incensed' Negro

WILMINGTON, Del., Oct. 14 (U.P.)—Bryant W. Bowles, head of the pro-segregationist National Assn. for the Advancement of White People, was assaulted by a Negro today as he left a night club where he had made a broadcast attacking Negroes, Jews and Catholics.

Police, guarding the club during the broadcast, arrested Portner Harrison, 33, who was booked on charges of assault and battery. Harrison said he became "incensed" by the two-and-one-half-hour broadcast. "This man should not be allowed in the state," Harrison said.

Bowles testified that Harrison broke through the police line and struck him on the shoulder.

Bowles, an ex-Marine, founded the NAAWP during the Milford, Del., school integration incident last year in which a number of students and their parents protested desegregation of the schools.

During the broadcast, Bowles termed President Eisenhower a "left-winger," said former President Truman was "a bigger left-winger than Eisenhower" and referred to Ralph Bunche, assistant secretary-general of the United Nations, as a "jerk."

The article then indicates that the Puerto Rican Committee for Civil Rights was set up recently to protest police brutality against Puerto Ricans in Newark.

Confidential Informant NK-1933-S* has reported that the Puerto Rican Committee for Civil Rights is of interest to two N.Y. State CP leaders, CHARLES NUSSEER and JOSEPH FISCHER. Counsel for the Committee is WILLIAM ROSSMOORE who has been actively associated with the CP in the past. In a three column, 9 inch feature story in the New Jersey edition of the "Worker" for November 13, 1955, is an article captioned "CP Exposes Racist Plot to Defeat Negro Candidates in New Jersey Election." A photograph of the photostat which reads as follows is included in the article.

Our Newark Office has advised that Charles Nusser, who is associated with the Communist Party in New Jersey, received an anti-Negro post card issued by the New Jersey chapter of the captioned organization which was reproduced in the November 19, 1955, issue of the New Jersey edition of "The Worker" and read as follows:

These Negro candidates are Democrat Van T. Clinton, SA, Republican J. Vance Holmes, SB. Vota White. Skip these men. NAACP, paid for by New Jersey Chapter."

The article in the newspaper indicated that this post card had been received by some voters in Essex County, New Jersey prior to elections held last week. The card was postmarked Vinona, Mississippi.

This newspaper article in "The Worker" also indicated that when Nusser learned of the existence of this post card he sent special delivery letters to Postmaster General Sumnerfield in Washington, D. REPORT MADE AT MEMPHIS, TENNESSEE	DATE WHEN MADE 12-30-55	PERIOD FOR WHICH MADE 11-25-55	REPORT MADE BY GEORGE A. EVERETT AJ
TITLE NATIONAL ASSOCIATION FOR THE ADVANCEMENT OF WHITE PEOPLE, INC., aka, NAACP			CHARACTER OF CASE INTERNAL SECURITY - X

SYNOPSIS OF FACTS: Postmaster, Winona, Miss., states he has no knowledge concerning mailing of postcards to New Jersey. Clipping from Newark (N.J.) News of 11-8-55 states such postcards delivered by messenger, some by mail, and some by mail from outside of New Jersey.

- RUC -

DETAILS: C. H. JACO, Postmaster, Winona, Miss., on November 25, 1955, stated he has no information or knowledge concerning the possibility of postcards having been mailed from Winona to New Jersey in a political campaign. The cards, he said, could have been mailed here, but his attention was not called to them if they were. JACO questioned the other employees in that post office and none, he said, had any knowledge of the cards. JACO suggested the possibility that the cards could have been sent to Winona for mailing so an issue could be raised in New Jersey. He stated he would not "put it past" some racial organizations and political parties to do just that, specifically naming the Communist Party.

When contacted on November 25, 1955 on another matter, ROBERT B. PATTERSON, Executive Secretary of the Association of Citizens' Councils of Miss., Winona, Miss., exhibited to SA G. A. EVERETT, among other items, a clipping from the November 8, 1955 issue of the "Newark News," Newark, N. J. newspaper, alleging that postcards addressed to Essex County Veterans and opposing the candidacy of Negroes for the Assembly had been delivered to residents of that county by messenger, by mail, and from out of the state by mail. One card was reportedly received at the Newark Post Office bearing a Mississippi postmark. That card was sent to the Post Office Department, the article continued.

said an active unionist the other day. He was referring to the various campaigns under way in the New York metropolitan area among thousands of unorganized workers in electrical, department store, taxi, bakery, hotel, restaurant and other industries.

After some years of virtual standstill, a number of CIO and AFL unions locally have opened up with serious drives. Do you remember the popular slogan of the 1930s—Make New York A Union Town? Well, we've come a long way since then, and, Father Knickerbocker is pretty

well unionized by now. There are today an estimated 1,400,000 AFL, CIO, and independent unionists in the metropolitan area.

However, there are still literally tens of thousands of New Yorkers, especially low paid workers, who are still outside of the labor movement. That's why the current organizing drives are all to the good, and show the new spirit beginning to take hold in the trade union movement.

N.Y. LABOR & THE SOUTH: If anyone were to ask how New York unionists could best help right now to get the South organized, the AFL, Hotel & Restaurant Union would reply—help win the Miami Beach mass organizing drive and strike.

The Hotel union has pointed out to both AFL and CIO locally that most Miami resort business in the winter season now opening up can be expected to come from the New York metropolitan area. Therefore,

NEWARK—The New Jersey Communist Party last week exposed a rightist plot to pose a referendum on the Governor's re-election. The referendum, held last week in Newark, heard more than 100 witnesses.

CP Exposes Racist Plot to Defeat Negro Candidates in New Jersey Elections

CP Exposes Racist Plot to Defeat Negro Candidates In New Jersey Elections

NEWARK.—The New Jersey Communist Party last week exposed a racist plot, hatched by the vile National Association of White People in Mississippi, to defeat the two Negro candidates for the State Assembly in Essex County.

An open postcard, mailed to Essex voters, postmarked "Winona, Miss., signed by the 'NAAWP,' urged voters to 'Vote White!'

"This is to inform you that two Assembly candidates, by reason of their affiliation with the trouble-making National Association for the Advancement of Colored People, NAAACP, are unqualified for public office."

These Negro candidates are: Democratic Van Y. Clinton, 8A; Republican J. Vance Melver, 8B. Skip these men! Vote White churches! The leaflets, entitled, "NAAWP—Paid for N.J. Chapter," "Defeat Race Hatred At The Poll," asked: "Shall decent people—Negro and white—allow this example of race hatred to go unchallenged?"

The Communist Party, through its spokesman, Charles Nusser, Peoples Rights candidate, for the State Assembly, immediately sprang into action. Nusser, in special delivery letters to Postmaster Summerfield in Washington, and Postmaster Reilly in Newark, asked for a ruling as to "whether postal laws are being violated by sending this racial filth through the mails."

The Newark postmaster, in reply to query by a Newark News reporter, said postal employees were instructed to impound such material. Nusser also sent special-delivery letters to Governor Meyner, and State Attorney General Rich-

man, demanding an investigation of the "New Jersey Chapter NAAWP." Photostat copies of the postcard were enclosed. Nusser pointed out that this was the second appeal to race hatred by local bigots in the past few weeks. Recently Puerto Rican citizens in Newark received letters, written on the back of application blanks for membership in the NAAWP, telling them to "get out of the country." They were signed by a "Winfield S. Reid, Executive Secretary, Essex County NAAWP."

TILL PROTESTS CONTINUE

Protests against the brutal murder of 11-year-old Emmett Till continued throughout the state, and meetings and rallies are still being held. The Elizabeth Good Neighbor Council denounced the jury verdict saying:

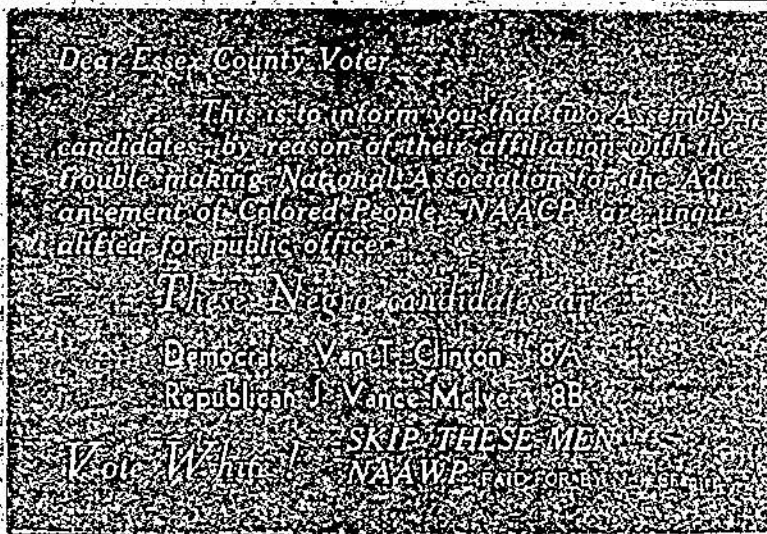

"The Mississippi jury has misjudged the facts of the case and the temper of the great majority of the American people."

The Council sent letters to Attorney General Brownell and New Jersey congressmen and senators urging pressure to correct this "act of bigotry," and calling for federal legislation.

RALLIES SCHEDULED

Dr. Theodora Howard of the all-Negro town of Mound Bayou, Miss., will speak on the Till case on Sunday, Dec. 4, at 3 p.m. at the Bethany Baptist Church, 117 Market St., Newark. The rally is sponsored by the North Jersey Medical Society and its Women's Auxiliary.

Bob Hall, news editor of the Worker, who spoke in Newark and Paterson, will tell his dramatic eyewitness account of the Till trial to a Camden audience on Friday, Nov. 18.

RACIST NAAWP THREATENS PUERTO RICANS IN JERSEY; 2 BEATEN BY COPS, FINED

NEWARK. — The racist National Association for the Advancement of White People is organizing in New Jersey and has made its first target of attack on Puerto Rican citizens living in the state. Numerous Puerto Rican residents have received cards "inviting" them to get out of the country. (See reproduction.)

Carmelo Vargas, a married man with three children, living in Newark, president of the Puerto Rican Committee for Civil Rights, received the threatening message written on the back of an application blank for membership in the NAAWP. The application states:

"I am a member of the white race . . . I do believe in separation of the Races of Mankind." The blank contains the slogan "Practice Racial Self-Respect . . . Fight Communism."

The Committee headed by Mr. Vargas was set up recently to protest police brutality against Puerto Ricans in Newark and to protect civil rights. The Committee issued an appeal to all liberty and democratic loving Americans to join in combatting this threat to the liberty of all and to a decent democratic way of life.

2 PUERTO RICAN YOUTHS BEATEN, FINED \$50

Meanwhile, Judge Joseph Sugrue fined two Puerto Rican youths \$50 for "creating a disturbance," thus continuing the unbroken record of Newark police court magistrates that testimony of police, regardless of its inconsistency and unreliability, is to always be accepted over that of citizens of minority groups.

The two youths, Angel Manuel Rivera, 19, and Carlos Martinez, 21, both of Newark, were brutally beaten by Newark cops, and then arrested on trumped charges. A cop claimed that the two were among a group of 15-20 persons who threatened him on Pennsylvania Avenue on July 4. Despite testimony proving neither of the two men were there at the time, Judge Sugrue found both guilty.

One cop admitted he struck Rivera across the face with his service revolver. Another cop admitted he brutally beat Martinez with his club. Rivera's nose was broken and Martinez' face cut by the sadistic policemen.

NUSSER URGES PROBE

Charles Nussier, Peoples Rights candidate for the State Assembly in the November elections, announced that he had sent copies of this issue of the Worker, together with a demand for a complete and thorough investigation of both the National Association of White

we respectfully suggest that you and your people leave our land. Despite your citizenship you are not Americans. I am a member of the white race. I do believe in separation of the Races of Mankind. Practice Racial Self-Respect. Fight Communism.

The above was received by a Puerto Rican resident of Newark. It was written on the reverse side of an application for

membership in the racist National Association for the Advancement of White People.
